Date: 1/10/16

Hello,

In the past fifteen years, several thousand motorcycles and riders have come together in south central Nebraska to raise thousands of dollars to benefit FACES: The National Craniofacial Association through the FACES Motorcycle Rally. The 15th Annual FACES Rally raised over \$15,000.00 in 2015. Help us raise even more funds in 2016.

I am also sorry to say that the 15th Annual FACES Rally will be the last year for this great event. We have and will always be appreciative of the support you have given us. We wish we could continue but as everyone who has done any volunteer work knows this event or any other non-profit organization takes a lot of time and energy. Since 2016 will be the final year for the FACES Rally, I am asking for your help in making this year our greatest by increasing your sponsorship level.

I would also like to add that we are attempting to have all the area children we have supported locally attend this year's event.

FACES: The National Craniofacial Association is a nonprofit organization serving children and adults throughout the U.S. with severe craniofacial deformities resulting from birth defects, trauma or disease. FACES is based in Chattanooga, Tennessee.

FACES assists families with traveling and lodging expenses since the majority of these children need to travel long distances for specialized surgery and medical attention. Because of the FACES Rally, children from Nebraska and Kansas with facial deformities have benefited from this great organization through proceeds from the FACES rally.

2016 marks the fifteenth year anniversary of the FACES Rally, a three-day motorcycle event based in Upland, Nebraska every June since 2002. Events during the rally include a fun run, bike show, bike games, hog roast, bands, vendors, and other activities.

The 2016 FACES Rally will be held June 10th, 11th, and 12th in Upland, Nebraska.

The FACES Rally would be blessed to have your company assist us to make our 15th and final year our greatest.

Children born with facial deformities and their families spend years struggling with the financial burden associated with reconstructive surgery. The proceeds of the FACES Rally helps assist these children and their families with travel, lodging and other travel related expenses.

We would appreciate your support to help the FACES Rally continue to raise awareness and funding for FACES: The National Craniofacial. Please find the enclosed donation package, Internal Revenue 501-C3 form, 2015 schedule of events and reference list.

The deadline for sponsorship is May 1, 2016, to insure we have your company's name and information on the appropriate material depending on which sponsorship level you choose.
